

NOTICE: Adoption of Out-of-Competition Testing Rules

Please be informed that the New York State Racing and Wagering Board has adopted new rules, effective January 1, 2010, to authorize and govern out-of-competition drug testing for harness and thoroughbred horses.

The addition of Rules [4043.1\(g\)](#), [4043.12](#), [4120.1\(g\)](#), and [4120.17](#) to Title 9 (E) NYCRR will authorize the testing of horses on the grounds of a New York State racetrack as well as those stabled off the grounds of the racetrack.
