

Exhibit VIII.B.7.b – Commitment to Hire Minimum Number of Employees

Submit as Exhibit VIII.B.7.b. a description of how the Applicant proposes to ensure that it provides a high number of quality jobs in the Gaming Facility and the Applicant's commitment to hire a minimum number of employees, both full-time and part-time, at the opening of the Gaming Facility.

Spectrum Gaming Group, in the Economic Impact Analysis that it prepared and is submitted as Exhibit VIII.B.3.a-b to this Application, estimates that at the peak, the Applicant will require 1,107 full time equivalent employees, which would translate into in a much higher total number of employed individuals depending upon the number of part-time positions. Given the unpredictability of economic and market conditions at the time of opening of the Gaming Facility and beyond, the Applicant cannot commit to hire a minimum number of employees. Nevertheless, the Applicant is committed to providing a premier Gaming Facility and superior service for its guests. Accordingly, and as set forth in detail in the prior exhibit (Exhibit VIII.B.7.a – Tables for total employees), the Applicant anticipates that it will hire well in excess of 1,000 full and part time employees. This expected number of employees does not include the approximately 60 individuals that will be employed directly by Mazzone Hospitality at Capital View Casino & Resorts flagship restaurant.
