

Exhibit IX.B.3 – Local Business Owners

Submit as Exhibit IX. B.3. a description of plans for contracting with local business owners for provision of goods and services to the Gaming Facility, including developing plans designed to assist businesses in the State in identifying the needs for goods and services to the Gaming Facility.

Both Capital View Casino & Resort partners are firmly rooted in their communities, beginning as locally owned businesses whose success was directly relative to that of our surrounding areas. These shared roots form the basis of our belief that it is incumbent upon us as responsible business owners to source as many products and services as we can from our community, our region and our state.

An example of this commitment is our purchasing history at Saratoga Casino and Raceway. In the calendar year ending December 31, 2013, 76.8% of all purchases of goods and services were made from companies based right here in New York. We anticipate the same level of commitment at Capital View Casino & Resort.

To accomplish this goal, we will hold vendor fairs to inform our local business community of the goods and services needed by the facility. We will also work with our current New York vendors in order to further strengthen these relationships and make sure that New York dollars stay within New York.

There are also great opportunities in the Capital Region to partner with local suppliers to feature their products in our food and beverage facilities. Programs similar to those with Saratoga Salsa, Swedish Hill Wineries, Saratoga Olive Oil and Saratoga Brewery will be established to highlight local products, while also ensuring that our guests have the opportunity to experience the vast offerings of the Capital Region.

As announced on June 18, 2014 Capital View Casino & Resort has also forged a partnership with Mazzone Hospitality to operate our signature steakhouse restaurant. This high end dining facility will focus on locally-grown and sourced products, just as Mazzone Hospitality does with their other, highly popular restaurants from Schenectady to Albany and Saratoga. Furthermore, this partnership highlights the Capital Region's very own preeminent catering, fine dining and event company, rather than a brand based outside our region and our state.
