NEW YORK STATE SUBCONTRACTORS  
AND SUPPLIERS

Applicant's general contractor, Turner Construction Company, was founded and is headquartered in New York State, and has a deep history in the Capital Region. Turner has a long-standing track record in the utilization of New York State based businesses on projects, and maintains an objective of increasing the visibility, improving the economic viability, and expanding opportunities for these local businesses. The Applicant and Turner have a goal for this project of utilizing a minimum of 75% local subcontractors and suppliers. Attached is a list of pre-qualified subcontractors and suppliers Turner intends to solicit pricing from for the project.
