

Entertainment Venues

The Hard Rock brand is known worldwide for its legendary Rock and Roll entertainment, its extensive memorabilia collection and the encouragement of up and coming artists. The Hard Rock Cafe within the Gaming Facility will include a raised stage with state-of-the-art lighting and audio/visual systems. Flexible seating allows this entertainment venue to accommodate periodic special entertainment events. The Hard Rock Cafe will be located directly behind the Center Bar and will provide access to the river walk. The Hard Rock Cafe will feature many of the treasured memorabilia of famous artists including such things as entertainers' costumes and clothing, guitars and musical instruments, photographs and unique personalized items.
