

EXHIBIT VIII.C.8.b. Meeting and Convention Facilities Mohegan Sun at The Concord

Mohegan Sun at the Concord's Phase I program will include 29,800 square feet of meeting and convention facility space. Within the hotel tower at grade level, there will be 5 modern, high end meeting room spaces comprising approximately 4,600 square feet as well as a multipurpose business center space for patron usage. In addition, towards the northern end of the casino floor there will be a 25,000 square foot multi-purpose space which can be used to house conventions, events and entertainment performances.
