

EXHIBIT IX.B.2.b. Partnerships with Live Entertainment Venues

MOHEGAN SUN AT THE CONCORD

Mohegan Sun at The Concord (MSC) has had productive and cordial discussions with Bethel Woods, the landmark outdoor venue and neighbor to MSC in Sullivan County, and its consortium, the Upstate Theatre Coalition for a Fairgame, LLC, but we have not reached an agreement on the potential impacts to members of the coalition in the vicinity of MSC's project site.

Bethel Woods, the closest venue, features an approximately 15,000 person capacity outdoor performing arts main stage pavilion and an intimate 400 seat event center, along with a museum and other attractions, and MSC believes the primarily outdoor, seasonal and weekend schedule of Bethel Woods will integrate well with MSC's desire for tourists to extend their weekends and stays in the region and take in a variety of local attractions. Other members of the coalition have different venue sizes and are a considerable distance from MSC's project site, so there is a need to continue to review and discuss the potential impacts and opportunities for mitigation with all parties. We hope to continue this dialogue and reach an agreement as the application process continues.

Please see the attached letters highlighting the partnerships we've created with local live entertainment venues.

1. Theatrical Arts at Forestburgh, Inc.
2. Big Sky Productions
3. Mid Hudson Civic Center, Inc
4. Shadowland Artists, Inc
