To Whom it May Concern:

On behalf of the YMCA of Middletown I would like to formally support Mohegan Sun Concord Casino (Cappelli Associates, LLP). My understanding of the economic realities of Sullivan County, make us truly supportive of any initiative which would bring jobs to the region and ultimately improve the quality of life. The YMCA of Middletown has a history with Mr. Cappelli, and we appreciate his understanding and recognition of the importance of its services in communities.

Because of this relationship, the YMCA is willing to partner with MSCC in the provision of child care for employees, guests as well as offer activities for families. Over time we will work together to identify those services which will be most helpful to employees, guests and the surrounding communities.

STATEMENT OF SUPPORT:

We strongly support the approval of the Mohegan Sun Casino and Resort in Monticello New York at the site of the Concord Hotel property in Kiamesha. The presence of this project will be a giant addition to our business community and an incentive for all business to invest and modernize.

We will continue to increase our list of services and will be able to provide more services and attractions to help attract new patrons and visitors to our area and to the Mohegan Sun property.

Master Group Of NY will join with The future casino to offer point system programs for discounts in services at the resort and to promote these discounts and product promotions to our nationwide corporate clients to help stimulate the re-birth of this area. The approval of the Mohegan Sun project is not only a major stimulus for the resort industry – it stimulates businesses like ours to promote our area as a destination., It allows our families and the young men and women of this area to have reason to stay here – to raise their families here and to be part of the fabric of this community.
