**Subject:** RE: Sullivan County Casinos

Reber River Trips supports a Mohegan Sun Concord Casino.

I agree to cross promote our business Reber River Trips with Mohican Sun Concord Casino

My family has been in business in Sullivan County since 1947, having operated a landmark restaurant for 38 years , " Reber's Restaurant " , Barryville, N.Y.

I have had a real estate office in Barryville for 35 years and currently am running a white water rafting & kayaking business on the Delaware.

In the 67 years of living in Sullivan County, I have witnessed a steady decline in tourism. A casino in our county is much needed to revive this beautiful county.

Thank you for your consideration
