May 26, 2014

Dear Cliff,

A Mohegan Sun Casino at the Concord destination located at or near the former Concord Hotel property would be a great asset to grow the Robert Green Auto & Truck Dealerships. We should be able to effectively cross market each others businesses. We currently have a cross marketing program with Bethel Woods that allows them promotional vehicles with joint advertising. They advertise our company in their promotional material and we advertise their venue in our promotional materials. That same kind of cross marketing should effectively function between the resort casino and Robert Green Auto & Truck, Inc.

A resort casino of the magnitude you described will be a great asset for my business.

Please feel free to contact me if you have any questions.

Sincerely,

Robert S. Green
President
