

Submit as Exhibit VIII.C.1.d. a reasonably detailed description, including the dimensions and total acreage, and provide a schematic/map illustrating the boundary of the area of the land constituting the Project Site.

Under Alternative #2, there are no changes to the previous disclosures other than to the extent of the change of the footprint of Montreign Resort Casino and its surface parking area. Montreign’s Casino Site under Alternative #2, as illustrated in Attachment VIII. C.1.d-ALT-2, reflects a reduced building footprint and surface parking area. The balance of the differences in the design of Montreign for Alternative #2 are clarified in other exhibits, and include a change in configuration buildings on the site, of the parking structure and the hotel, extent of gaming area, and number of amenities.
