RE: Proposed Concord Resort Project

Dear Ms. Harrison,

NYSEG is providing this letter to confirm that the property at Thompsonville Rd and Joyland Rd in the Town of Thompson can be served by NYSEG Electric. The amount of load that has been requested to be served at this time is 6.1mva. This will provide the requested load to both the Casino and the Entertainment Village for the Resort. NYSEG can provide service for this load during normal operating conditions. This load is subject to be limited under emergency conditions.

Regards,

A handwritten signature in cursive script, appearing to read "George Potter".
