

**Submit as Exhibit VIII.C.17.b. a description of plans to address water and electricity use restrictions during peak demand periods.**

Under Alternative #2, there are no changes to the introductory comments portion of the response to this question.

**Montreign Resort Casino**

Alternative #2 is in the concept and planning stages of design, and requires additional engineering to provide detail in response to this question. It is anticipated that loads and demand will be significantly reduced for Alternative #2, and there should be no issues with the Town approvals and agreements outlined in prior responses to this question.

**Entertainment Village, Indoor Waterpark Lodge, Monster Golf Course, Infrastructure Improvements**

Under Alternative #2, there are no changes to the previous disclosures made in this portion of the response to this question.
