

Submit as Exhibit VIII.C.17.e. a description of plans for management, detention and discharge of storm water on and from the Project Site to include (i) the estimated cost of the improvements; (ii) the estimated date of completion; (iii) the names of the parties, whether public or private, initiating the improvements; (iv) the names of the parties responsible for the costs of the improvements; and (v) if more than one party is responsible for the costs, the proportionate distribution of the costs among the parties.

For the improvements described in this section: (i) state whether local government approval is necessary for making the improvements; (ii) include a description of the procedure by which the local government approval is going to be obtained; (iii) indicate all conditions likely to be placed on the local government approval; and (iv) indicate the estimated date by which local government approval will be granted.

Under Alternative #2, there are no changes to the introductory comments portion of the response to this question.

Montreign Resort Casino – Alternative #2

For the Montreign facility site only, there will be proportionally less impact based on the reduced facility size, hard surface coverage, and configuration on the site, but as it has not been fully engineered to date for Alternative #2, the reduction in necessary retention and site stormwater management is not yet available. This will be finalized as part of the approval process discussed in Exhibit VIII.C.3.c for Alternative #2.

ALTERNATIVE #2

Entertainment Village, Indoor Waterpark Lodge, Monster Golf Course, Infrastructure Improvements

Under Alternative #2, there are no changes to the previous disclosures made in this portion of the response to this question.

Future Development

Under Alternative #2, there are no changes to the previous disclosures made in this portion of the response to this question.
