OBJECTIVE

I plan to continue my career in the Entertainment, Special Events, and Aesthetic industry in a Management position utilizing my broad and diverse experience, acquired skill educational background and training in a new and challenging environment.

SUMMARY

Over the past twenty five years, I have developed a successful and diversified career involving sales, marketing, operations management and financial responsibilities in the areas of live stage productions and upscale casino special events. Having operated my own company for profit, I can easily recognize opportunities to yield cost savings and create efficiencies in entertainment venues where financial losses are often considered normal.

I can provide my employer with the capability to operate a highly sophisticated showroom entertainment function within its portfolio of customer product offerings, and can furthermore cross-utilize such entertainment elements to economically create tasteful and upscale special events and promotions to augment a company's marketing initiatives.

My specific proven attributes center on the following skill sets:

- Business development and profit improvement
- Project planning, forecasting, budgeting and coordinating
- Product Presentation
- Personnel motivation and development
- Contract negotiations and cost control
- Meeting goals and exceeding expectations

EMPLOYMENT

CONFETTI ENTERTAINMENT INC., Atlantic City, NJ

1982 - Present

Through my direction and ownership, Confetti Entertainment has successfully produced and presented countless numbers of self-contained live production shows and special events throughout many venues both in the United States as well as overseas. On a self-contained basis, all of these creations included the necessary production development, live entertainers, professional choreography and live music, whether they be staged for casino showrooms, theatres, luxury cruise liners, corporate parties or special events.

As the owner operator of Confetti Entertainment, I achieved the following for myself and can do the same for your company:

- Managed and directed total operations of a business providing the highest quality production shows worldwide, at times performing up to twelve venues simultaneously at off-site locations.
