

As a major goal of the Act is to enhance the State’s live entertainment venues, submit as Exhibit VIII.C.9.b. a description of how the entertainment venues proposed for the Project Site are distinguished (whether by design or intended use) and intended to complement the impacted live entertainment venues identified pursuant to Item IX.B.2.

Entertainment will be a key part of our integrated marketing plan for Montreign Resort Casino and Adelaar. Our entertainment options will feature a variety of entertainment in diverse venues, as described in Exhibit VIII.C.9.a_Alt2. As noted in Exhibit VIII. C.9.a_Alt 2, our entertainment venues are significantly curtailed in Alternative #2 as a result of the placement of a gaming facility in Southern Orange County.

Montreign intends in Alternative #2 to complement the acts offered by Bethel Woods Center for the Arts (“Bethel Woods”) and will engage in cross marketing efforts and the coordination of entertainment events by Montreign to complement the live entertainment offered by Bethel Woods, as more fully discussed in Exhibit IX.B.2.a. As a result of reducing the size of the M Centre and the elimination of The Spotlight theater from our entertainment offerings, Montreign intends to offer twelve acts annually acts and revues in the M Centre.

In Alternative #2, there are no changes to the disclosures made in response to this question.
