

Submit as Exhibit VIII.C.9.c. a description of the extent to which entertainment venues and plans are contemplated to be used for casino and/or other marketing. Include the manner in which the Gaming Facility will enhance entertainment venues already existing in the Host Municipality and nearby municipalities.

In Alternative # 2, the M Centre is reduced in size to approximately 10,000 square feet. The M Centre will house all named entertainers and revue acts. The number of overall acts at the M Centre will be around twelve (12) annually, a substantial reduction from our plans. Accordingly any impact on local non-profit entertainment venues, such as Bethel Woods, is diminished.

In Alternative #2, The Spotlight theater, a 500-seat theater will not be constructed.

In Alternative #2, Firefly outdoor terrace will be eliminated.

In Alternative #2, there are no other changes to the previous disclosures made in response to this question.
