## TREATMENT AND PREVENTION

**Submit as Exhibit X.A.5. a description of plans to coordinate with local providers to facilitate assistance and treatment for those with gambling-related problems and plans to develop prevention programs targeted toward vulnerable populations.**

MRMI has coordinated, and Montreign Operating Company, LLC will coordinate, with the Recovery Center in Monticello, NY, which is a local provider, in order to facilitate assistance and treatment for those with gambling-related problems. As set forth in the CPG Plan,<sup>1</sup> MRMI has coordinated, and Montreign will coordinate, with the New York State Office of Alcoholism and Substance Abuse Services (“OASAS”) for hopeline services and treatment referrals. Currently there are no Gamblers Anonymous or GAM-ANON meetings in the Sullivan County area.

Addiction prevention programs should only be developed by experts. Therefore, neither MRMI or Montreign plans to develop prevention programs targeted toward vulnerable populations. MRMI and Montreign will, however, support prevention programs established by the National Council on Problem Gambling (“NCPG”), NYCPG, OASAS and others.

MRMI provides and directs, and Montreign will provide and direct, patrons to the location of printed material to inform patrons about
