

Submit as Exhibit X.B.3. the Applicant's and, as applicable, the Manager's strategy to provide on-the-job opportunities and training in areas, and with respect to regional and local demographic groups with high unemployment.

Pre-employment training, designed to assist people with developing the skills necessary to enter the gaming workforce and on-the-job programs to complement pre-employment training should be considered. Apprenticeship programs to support career development for employees should also be considered. An adequate apprenticeship program will blend classroom instruction and on-the-job training to enable employees to successfully enter designated jobs or gain promotions.

Under Alternative #2, there are no changes to the previous disclosures made in response to this question.
