

Submit as Exhibit X.C.2. a description of plans, including all proposed baseline and improved building design elements and measures, for its Gaming Facility to become certified under a certification category in the Leadership in Environmental and Energy Design (LEED) program created by the United States Green Building Council.

Montreign Resort Casino

There are significant changes to the plans, and baseline and improved building design elements and measures for Montreign under Alternative #2. There are no changes to goals and intent to follow through with a certification process for the project. However, based on the status of design and documentation on Alternative #2, the LEED evaluation and 'point' level has not been developed at this point in time, and will require additional design and development to be finalized.

Indoor Waterpark Lodge

There are no changes to this portion of the response to the question for Alternative #2.
