PROCUREMENT PLAN

Focus on Domestic Manufacturers

Nevele Resort, Casino & Spa intends to implement a procurement plan where the majority of the electronic gaming machine (slot) products to be used by us are American made. That said, nine companies domestically manufacture over 99% of the machines we will purchase. Of these nine manufacturers, four of the companies are owned internationally and three of those four companies manufacture slot machines in the United States. The remaining company will account for 1% of Nevele Resort, Casino & Spa's slot products.
