Resorts World Manila (RWM) is the first integrated tourist hub in the Philippines that is fast shaping up to become the most exciting destination in the country.

Adapting the integrated resort concept behind the success of Resorts World Genting in Malaysia and Resorts World Sentosa in Singapore, RWM breaks new ground in the Philippines by combining lodging brands, restaurants, gaming facilities, entertainment spots and a luxury mall in one grand destination.

Asia's newest playground is located in Newport City, a modern live-work-play community and the first tourism economic zone in the Philippines, just across Terminal 3 of the Ninoy Aquino International Airport and adjacent to the Villamor Golf Course. RWM is home to three hotels: the five-star Marriot Hotel Manila, the value for money Remington Hotel, and its centerpiece, the luxury all-suite casino hotel, Maxims Hotel.

It also features the upscale Newport Mall which boasts of shops and boutiques for international luxury brands, high end cinemas, dining outlets, and the Newport Performing Arts Theater, a 1,500-seat venue for local and international artists and productions.
