MICHAEL F SPELLER

Professional Profile:

Senior Management Executive with 40 Years' experience in both Domestic and International gaming jurisdictions holding key positions with large Corporate and Native American gaming operators. I have extensive experience in the management of existing casino facilities and the development and opening of new casino facilities.

Professional Experience:

Resorts World Casino: New York City.

President:

Joining Resorts World Casino New York in June 2010 as President, my responsibility was to identify and hire a startup team of senior executives to design, develop and operate the first casino in New York City at Aqueduct Racetrack in Queens N.Y. This landmark \$800 million project opened in [REDACTED] exactly one year to the day after groundbreaking. I continued to serve as President until [REDACTED] Resorts World New York is now the largest grossing slot operation in the U.S. I currently serve as President of Genting Management Services developing additional casino projects.

Foxwoods Resort Casino:

President:

Serving as President of Foxwoods I directed and repositioned the largest Casino in the U.S. to respond to the challenges of the most difficult economic contraction in its history developing and implemented significant and sustainable cost saving strategies in every division.

Seneca Gaming Corporation: Niagara Falls NY.

Corporate Senior Vice President of Casino Operations:

Joining this company [REDACTED] I became Corporate SVP [REDACTED].

Manhattan Cruises: New York NY.

Senior Vice President of Casino Operations & C.O.O:

Served as Senior Casino Vice President/C.O.O. for Manhattan Cruises in New York City.

Foxwoods Management Company:

Chief Operating Officer:

Served as COO to oversee daily ops & new development for Foxwoods Management Company.

Foxwoods Management Company. Little Creek Casino:

Chief Executive Officer:

Served as Chief Executive Officer for Little Creek Casino in Washington State.

Star Cruises: Singapore/Hong Kong/Malaysia Asia

Senior Vice President of Operations

Served as SVP of Operations of eight casinos, catering to the top 5000 players in Asia.

Foxwoods Resort Casino:

Casino Games Manager:

Responsibilities included the general overall management of the gaming floor.

[REDACTED] I served in various capacities in casino jurisdictions in the UK, Middle East, Bahamas, Caribbean and Atlantic City in front line gaming operations and mid level management.

THUY TRINH

Professional Profile:

Senior Management Executive with 42 years of experience in the resort, gaming and hospitality industry. I have extensive experience in start-up projects and in managing large resorts internationally, namely American, Asian and Australian jurisdictions. For the last 30 years, I have held key executive positions with large corporate groups and gaming operators. I hold a Bachelor of Arts degree from the University of Tasmania, Australia.

Professional Experience:

Resorts World Bimini, [REDACTED]

Chief Operating Officer:

Genting Americas is developing a resort on the island of Bimini which is ideally situated 50 miles from the coast of Florida. I oversee marketing campaigns and operational support which include air and sea transportation to facilitate visitation to the resort.

Resorts World Casino New York City – USA

Chief Operating Officer:

Resorts World New York is Genting's first wholly operated casino in the United States located at the Aqueduct Raceway in Queens. The casino was extensively renovated and refurbished and was fast tracked to open within 12 months of ground breaking. I was responsible for opening and operating the casino, which has 5,000 gaming machines, an extensive F&B operation, and a 70,000 sq. ft. floor used for shows, entertainment and events. The Casino is at present the highest grossing slots operation in the United States.

Resorts World Manila – [REDACTED]

President:

Resorts World Manila is the first integrated resort in the Philippines. I was responsible for opening and operating the resort. Resorts World Manila was successfully opened and achieved its full return on investment within 2 ½ years.

Resorts World Genting – [REDACTED]

Chief Operating Officer:

I was responsible for the profitability and all operational aspects of Resorts World Genting. The resort employs 13,000 employees and has successfully maintained double digit growth over the last few years.

Galaxy Entertainment Group – [REDACTED]

Chief Operating Officer:

I was responsible for opening and managing the Starworld property owned by the Galaxy Group. I additionally participated in the planning of the megaresort in Cotai.

Las Vegas Sands – [REDACTED]

Chief Operating Officer:

I was responsible for opening and setting up Sands Macau, the first American casino in China. After its successful opening, I was responsible for day to day operations and was part of the planning for the Venetian Macau.

Burswood Resort – [REDACTED]

Chief Operating Officer:

Responsible for the profitability and all operational aspects of the resort with a golf course. I was successful in reviving the declining VIP/junket activities at the resort.

Star Cruises – [REDACTED]

Chief Operating Officer:

Star Cruises operates the biggest cruise line in Asia and became the 3rd largest cruise line in the world after its acquisition of NCL. I was responsible for all operational aspects of the cruise line.

Crown Ltd. – [REDACTED]

Executive General Manager:

Responsible for opening and setting up of the casino at the World Trade Center, Melbourne. I successfully set up the international marketing / business development for Crown.

Burswood Resort – [REDACTED]

Senior Vice President, Casino Operations:

In 1985, Genting International built and operated Burswood Resort. I was responsible for the set up of the Casino Division and for all the front of the house operations.

Darwin Casino, Federal Hotels Group – [REDACTED]

Casino Manager:

I was part of the opening team in both the Don Casino and the Mindil Beach Casino and Hotel in Darwin.

Wrest Point Casino, Federal Hotels Group – [REDACTED]

Pit Manger:

Wrest Point was the first casino in Australia.
