Further, Skanska, which the Applicant used for preconstruction services, has been very active in the State of New York, constructing over \$2,114,000,000 of projects ranging in type and size in the 5 year period from 2009-2013. Rush Street Gaming properties also have a laudable track record of buying local during operations. See Exhibit IX.B.3 for a discussion of purchasing from local suppliers during the operational phase.
