

New York Gaming Facility Location Board
Response to Request for Applications to Develop and Operate a
Gaming Facility in New York State

TIOGA DOWNS RACETRACK, LLC

Exhibit VIII.C.5.a.6.

EXTERIOR LIGHTING DESIGN

Select areas of the exterior facades are washed with ground mounted metal halide floodlights, while additional floodlighting illuminates the roof mounted copulas. An inviting atmosphere is provided at the Porte Cochere by wall mounted decorative sconces and a ceiling mounted light cove. Walkways to the entrance are lighted with pole mounted decorative fixtures and the project identity is expressed with internally illuminated signage.
