Exhibit VIII.C.6.a.5.

Exhibit VIII.C.6.a.5 – Description of any special purpose rooms that are being considered (e.g., poker rooms, high-limit gaming areas, etc.).

We are proposing a poker room with its own cashier's cage and host desk, a high limit slot area and a section of tables games designated as high limit.

We will offer a section of our gaming floor that will house high limit games. Our table game pits will offer varying minimum and maximum bets based on volume; however, we will have a pit that can be separated from the rest of the general public that can be used for our high limit players on weekends. Our primary Cashier Cage, Player's Club, Hotel check-in, and buffet will have priority lines for our top-tier players.
