EVENT CENTER

The 6,652 square foot Event Center connects directly to the new Hotel and Casino and is designed to accommodate banquets, conventions, trade shows and a variety of entertainment functions. The space, which can operate in its entirety or subdivide into two individual spaces, can hold a total capacity of 410 guests for a banquet event and 594 guests for a concert event. In addition, there is a 1,929 square foot Pre-Function space that will complement the banquet space and also provide additional capacity for trade shows and exhibits.

The features of the room include a 15 foot high ceiling space, multi-colored LED lighting that can be customized to the event, and is multi-media ready. Ancillary spaces to the Event Center will include a Green Room for performers, a Bride's Room, Coat Check, on site Kitchen catering and a permanent stage which can be closed off when not in use.
