

**PETITION TO SHOW
SUPPORT OF AWARD OF CASINO LICENSE
TO TIOGA DOWNS IN NICHOLS, NY**

This petition supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

**PETITION TO SHOW
 SUPPORT OF AWARD OF CASINO LICENSE
 TO TIOGA DOWNS IN NICHOLS, NY**

This petition supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current faculty into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming faculty would bolster the economy. Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.

**PETITION TO SHOW
 SUPPORT OF AWARD OF CASINO LICENSE
 TO TIOGA DOWNS IN NICHOLS, NY**

This petition supports the expansion of casino gaming at Tioga Downs in Nichols, NY. The award of the one available casino license in the Eastern Southern Tier area would be well deserved and essential to the continued valuable economic and tourism development in Tioga County.

Tioga Downs has made a significant private investment converting a long-time, vacant horse track into a fabulous tourism destination. In addition in anticipation of the passage of the Upstate New York Gaming and Economic Development Act, preparations for the expansion of the current facility into a full casino are readied for immediate implementation.

The impact the annual revenue to our local schools and municipalities generated by the expansion of Tioga Downs into a gaming facility would bolster the economy. Tioga Downs has been a first rate community partner and we encourage the selection committee to approve their submission.
