Please refer to Exhibit IX.A.3. regarding infrastructure improvements.

Please refer to Exhibit VIII.C.17.d. for an independent traffic study.

Tioga Downs is currently on the stop rotation for Tioga Transport, the local public mass transportation provider. Upon expansion to a full gaming facility, Tioga Downs Casino Resort (TDCR) will work with Tioga Transport to increase trip frequency to the property. As is typical of rural areas, mass public transportation is currently limited and in low demand.

The future TDCR marketing plans include a focus on increasing motor coach and group sales business, seeking to grow visitation while mitigating individual vehicle trips from these segments. TDCR will also partner with regional Chambers of Commerce on the development of line and shuttle runs from higher volume regional tourism centers. From an employee perspective, TDCR Human Resources Department will advocate and provide incentives to facilitate adoption of car pools.
