

See the beauty, feel the history, taste the wine.

May 30, 2014

Ms. Martha C. Sauerbrey, Chair
Tioga County Legislature
County Office Building
56 Main Street
Owego, New York 13827

Dear Ms. Sauerbrey,

It is my pleasure to inform you that Tioga County, New York, is now eligible for membership in Finger Lakes Wine Country Tourism Marketing Association (FLWCTMA).

FLWCTMA was organized as an entity in 2000 with one purpose in mind—to promote economic development in the Finger Lakes region of the state of New York. A strong tourism industry adds depth to a community, making it much more desirable to live and work. It is the belief of area employers and civic leaders that everyone benefits from a community rich in history, culture, attractions and scenic beauty.

A unified branding initiative with strategic marketing and promotional programs attracts tourists to the Finger Lakes region. Critical mass affords opportunity and collectively, the area has a diverse product offering. Our target audience is the touring vacationer coming from a 150-500 mile radius. Marketing under the brand Finger Lakes Wine Country, "Finger Lakes" places us on the map in terms of geography, "Wine" is our unique differentiator as the largest wine producing region east of the Rocky Mountains, and "Country" conveys the message that we have a basket of disparate attractions with a broad visitor appeal.

Until yesterday's board decision, FLWCTMA's membership was limited to tourism-related organizations in Chemung, Steuben, Schuyler and Yates counties, and the member wineries of the Keuka, Seneca and Cayuga Lakes Wine Trails. On May 29, 2014, the Board of Directors of Finger Lakes Wine Country Tourism Marketing Association approved the following growth guidelines for the organization:

Public County Funding (applies to new growth, not existing county partnerships)

County must be within NY's designated 14 county Finger Lakes region

County must be contiguously connected to a current funding county of FLWCTMA

County must sign a three-year contract

Funding level – Counties with a population < 60,000 = \$60,000 annual investment + \$40,000 one time equity payment

Finger Lakes Wine Country Tourism Marketing Association, Inc.
Baron Steuben Place, 1 West Market Street, Corning, New York 14830 • T 607.936.0706 • F 607.936.0707
800.813.2958 • www.fingerlakeswinecountry.com

Therefore the Tioga County Local Development Agency (LDC), d.b.a. "Tioga County Tourism Office," is now eligible to join Finger Lakes Wine Country Tourism Marketing Association as a county partner of the organization. Full membership in FLWCTMA is contingent upon Tioga Downs Racetrack, LLC being awarded a full casino gaming license, receipt of a one-time equity payment of \$40,000 and an annual investment of \$60,000 for a minimum of three (3) years.

The Tioga County Legislature will make available to the LDC a portion of monies earned from all county hotel motel room tax generated, including those from the completion and occupancy of the new Tioga Downs Hotel. These monies will be used to support the \$60,000 minimum annual investment for Tioga County to continue as a county partner with Finger Lakes Wine Country Tourism Marketing Association.

Should you have any questions regarding this exciting new relationship, I welcome your calls at any time. We look forward to many years of growth and economic success through the partnership between Tioga County and Finger Lakes Wine Country!

All the best,

Larry Ellen Poland

Mr. Jeffrey Gural
Chairman/CEO
Tioga Downs Casino
2384 West River Road
Nichols, NY 13812

Dear Mr. Gural,

This letter supports the expansion of casino gaming at Tioga Downs in Nichols, New York. The award of the casino gambling license would be well deserved and a significant component for the continuation of economic and overall tourism development in Tioga County and for the entire Southern Tier and Finger Lakes regions of New York.

A strong tourism industry adds depth to a community, making it much more desirable to live and work. It is the belief of area employers and civic leaders that everyone benefits from a community rich in history, culture, attractions and scenic beauty.

Finger Lakes Wine Country Tourism Marketing Association (FLWCTMA) was organized as an entity in 2000 with one purpose in mind—to promote economic development in the Finger Lakes region of the state of New York. With this principle in mind, FLWCTMA is encouraged by the passage of the New York Gambling and Economic Development Act, allowing casino gambling in New York State. This law brings the state closer to establishing world-class destination gaming resorts that will attract tourists to Upstate New York, supporting thousands of jobs as well as adding revenue for local businesses, boosting tourism and economic development in communities across the region.

Tioga Downs has made a significant private investment converting a long-time vacant property into a fabulous tourism destination in the Finger Lakes region. In anticipation of a full gaming license being conferred upon Tioga Downs, the additional expansion of the existing facility into a top-tier casino will significantly further the positive impact to our region.

Tioga Downs has also been a noteworthy community partner through its efforts in support of local charities including the Southern Tier Food Bank, The Goodwill Theater, numerous veterans groups and senior citizens organizations.

It is through this type of significant economic development, tourism collaboration and community support that we strongly encourage the selection committee to confer a full gaming license to Tioga Downs in Nichols, NY.

Sincerely,

Laury Ellen Poland
