Dear Michelle,

It was nice speaking with you recently about the services [REDACTED] provides through its Youth Services Programs. As you are aware, [REDACTED] has been providing addiction prevention services for several years through NYS OASAS funding and through funding provided by the New York Council on Problem Gambling. In addition, we provide treatment at [REDACTED] [REDACTED] for persons struggling with co-occurring disorders of mental health and addiction.

[REDACTED] would be willing to commit to working with Traditions to develop gambling prevention and intervention services if they are granted a casino license. We look forward to partnering with Traditions to ensure that services aimed at problem gambling are available to meet this need.

Regards,
