

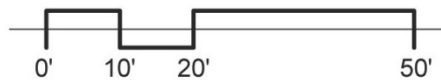

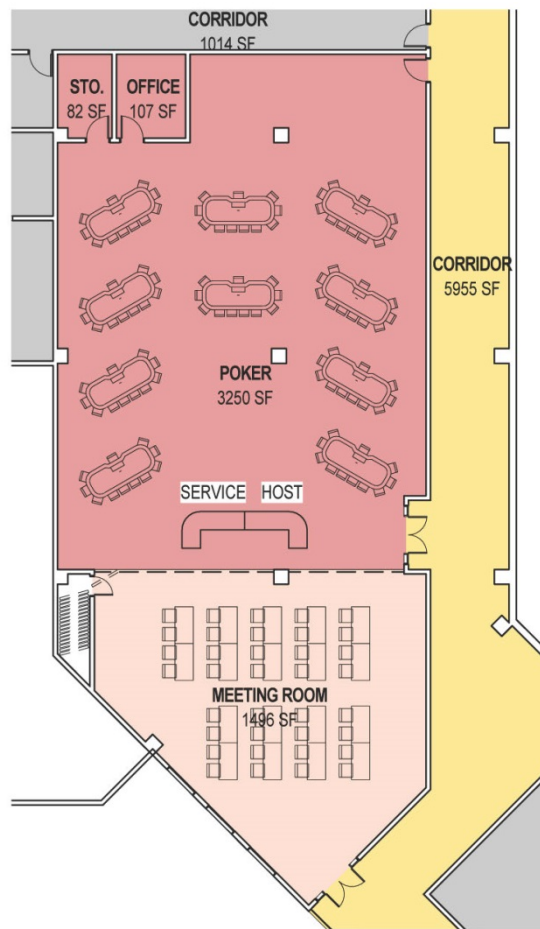

## Exhibit VIII.C.6.a.5 Casino Special Purpose Rooms

### Poker Room:

The 3,500 sf enclosed Poker area is located on the Mezzanine Level of the Casino. The area includes room for 10 poker tables, a Host Desk, Player Waiting Area, Office and Storage Room. The Poker area is separated from an adjacent Meeting Room by a folding partition which allows the area to expand by another 1,400 sf for a total of 20 poker tables for special tournaments.

## Exhibit VIII.C.6.a.5

### High Limit Gaming:

The 3,500 sf enclosed High Limit room is located on the Main Gaming Floor. The room includes an area for 8 table games, a separate area for 50 slot machines and a Player Host Desk. The area also includes a VIP lounge described in exhibit VIII.C.6.b
