Exhibit VIII.C.8.a - Meeting and Convention Facilities

Traditions at the Glen already has numerous meeting and convention facilities. The most popular venue is the ballroom (4,385 square feet) that can hold up to 400 people. This is a favorite venue for weddings and is also utilized for large fundraisers and corporate events. The majority of the 65 wedding booked at Traditions has 65 weddings booked for 2014 will utilize this space. The main kitchen is approximately 1,500 square feet and is attached to the ballroom. Please see the drawing below for the location on the main floor of Traditions' east wing.

Another popular venue at Traditions is the Spalding Dining Room. The 1,290 square foot room can accommodate up to 100 attendees. This room is a favorite for parties, corporate meetings, bereavements and bridal/wedding showers. The room is a short distance from the kitchen and has a service area attached to it with a full bar, refrigerator, ice machine and sink. The location of this room is on the main floor of the hotel directly off the main entrance; see below:

Traditions at the Glen also has two large tents on the grounds that are very popular during the spring and summer months. The Glen View Tent provides 5,400 square feet of venue space with an additional 750 square feet of permanent kitchen and bathrooms. This venue is used for large golf tournaments and weddings. This venue has hosted over 500 people when an additional tent is attached to it but it can handle 400 people on its own. Outdoor weddings and events are becoming increasingly popular and the addition of the new 2,000 square foot bluestone patio has made this the most popular venue on site.

The Valley View Tent is 2,400 square feet and can host up to 150 people. This tent has become increasingly popular for wedding ceremonies and cocktail hours. The tent is a great compliment to the existing venue space and is typically packaged with other spaces.

Traditions Resort & Casino will be adding an additional meeting room similar to the size of the existing Spaulding Dining Room. The new meeting room will be 1,496 square feet and be able to accommodate up to 120 people. The Traditions staff has noticed an significant amount of interest in this room. The room will also have a removable partition adjacent to it so it can open into the designated poker room. This flexibility allows the space to turn into a much larger room of 4,746 square feet and host up to 450 people which will make it the largest interior venue space at the resort. This space will offer greater flexibility and allow multiple large events to occur at the same time. A service corridor is adjacent to the poker room and allows for access for providing food and beverage to the spaces. The layout for these rooms can be found below:
