To Whom It May Concern,

Fox 40 has a strong business relationship with the Spa At Traditions in which the Spa provides gift certificates for Spa packages, and Salt Sanctuary membership passes that we sell on our Bid 2 Buy auction. The Spa receives advertising on Fox 40 and My 8 in return for the packages they provide, in the amount of the full retail value.

Each year we sell \$5,000.00 worth of packages from the Spa, and \$3,000.00 worth of passes to the Salt Sanctuary on our online auction. We have enjoyed working with The Spa At Traditions for over 4 years, and look forward to do so for many years to come.

Sincerely,

4/25/2014

Dear Sir or Madam,

I read with interest about the Vendor Fair to be hosted 4/25 at Traditions Resort, and am sorry to say I was not able to attend. I hope you will consider this letter and packet an introduction of services for United Radio, to be considered as a partner with not only "Traditions at the Glen", but also the potential "casino" being proposed.

United Radio has been supporting electronics and mobile communications throughout NY State since 1923. We sell and service a wide range of commercial communications equipment to our customers, including: Counties, State and Federal agencies; Law Enforcement; Fire Departments; Rescue Squads; Hotels and Resorts; Restaurants; School Districts; Colleges and Universities; major corporations; and small businesses. Our GOAL is to be the world standard in creating innovative solutions to the emerging technological needs of our customers.

At United Radio's Communications Division, we sell, service and support the leading manufacturers of 2-way communications equipment including Motorola, Kenwood and ICOM. We are a National Warranty Repair Depot for Kenwood and ICOM and handle warranty repairs from across the US. Our partnership with all 3 manufacturers has given us the flexibility to provide affordable, scalable communication solutions for existing as well as new businesses. Included within this packet, you will find;

- An overview of **United Radio**.
- **JW Marriott Case Study** using MOTOTRBO™ to save \$100,000 in Annual Cost.
- **Four Winds Resort and Casino Case Study**, using MOTOTRBO™ for increased service levels and enhanced security.
- MOTOTRBO™ Hospitality Application Brief, description of benefits.
- My contact information.

I hope that we will have a chance to meet in the near future, whether it is to discuss your current communication system for "Traditions at the Glen" or the proposed casino. Should you require any information from us prior to that, please don't hesitate to reach out.

Best Regards,
