

Exhibit X. A. 1. ON-SITE RESOURCES FOR PROBLEM GAMBLING

A.) Introduction.

The proposed manager of the new gaming facility, a subsidiary of Seneca Gaming Corporation (hereinafter referred to as “the Manager”) currently operates through its other subsidiaries three (3) gaming facilities in Western New York pursuant to the Seneca Nation of Indians-New York State Compact. In connection with its present casino operations, the Manager conducts a company-wide Responsible Gaming Program which is described in detail at Exhibit X.A.6. (Historical Efforts Against Problem Gambling). The Manager proposes to extend, enhance and adapt its current program to the new gaming facility operation as described in Exhibits X.A.1. through 5, subject to: (1) the specific statutory requirements of the Racing, Pari-Mutuel Wagering and Breeding Law and/or any requirements and/or Responsible Gaming Plan approvals issued by the NYSGC pursuant thereto; and (2) any unique characteristics of the new gaming facility operation.
