

VIII. ECONOMIC ACTIVITY AND BUSINESS DEVELOPMENT

C. LAND, CONSTRUCTION AND DESIGN OF PHYSICAL PLANT

13. BACK OF HOUSE

[THERE IS ALSO A PROGRAM ON THE KJ SITE] THAT NEEDS TO GO HERE.]

Submit as Exhibit VIII. C.13. a description, including square footage, of back of house, security, kitchen and office facilities to support the remaining building program.

The Back of House functions servicing the Casino and Hotel are generally divided into a number of separate, yet fully integrated programmed spaces. Most are located on the lower level.

The **Employee Services** facilities are located with an exterior entrance convenient to employee parking and drop-off areas. These services include functions such as Training, Recruitment, Application Sign ups, Uniform Distribution, Payroll Services, Changing/Rest Rooms, and Break Rooms. The employee facilities support every division the Casino & Hotel.

Located within the main Dock area, the **Cash Control/Security** functions include an Armored Truck Dock with Security offices and a dedicated elevator up to the main Cage of the Casino above.

Administration Offices located adjacent to the Main Dock and Employee Service functions include Admin., Security, IT, Human Resources, Food & Beverage, as well as Purchasing.

At the lower level of the Live! Entertainment/Convention uses are Back of House facilities specifically integrated in support of the multi-faceted uses of these large venues.
