

Exhibit VIII.C.6.e. – Additional Details

Submit as Exhibit VIII.C.6.e. any details of casino operation that the Applicant believes should be included in the evaluation of its operation.

Tioga Downs, with a nine-year track record of successfully operating over 800 VLT games, is poised for a swift transformation.

Building on the close working relationship already in place with the NYS Lottery and Gaming Commission, gaming equipment and technology manufacturers, Tioga Downs will work closely with Commission staff to ensure an efficient and seamless transition to a full casino facility offering slot machines, table games and poker at a pace that will be unmatched by other commercial casinos across the state.
